DigiEye 280

Digital Radiography System

Radiography Made Easy

mindray
healthcare within reach

DigiEye 280 is a floor-mounted DR system powered by Mindray's innovative technology. Portable flat detector designed to meet all your clinical requirements.

DigiEye 280

Digital Radiography System

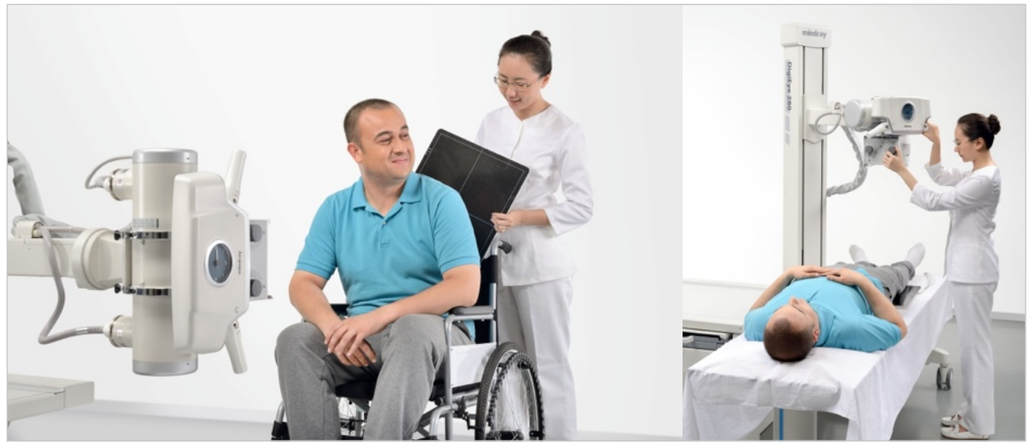

Flexible and Efficient Positioning:

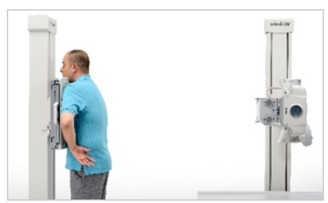

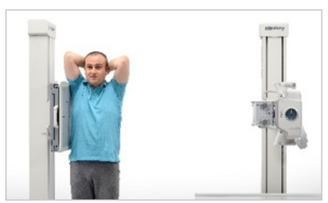

- Positioning is the same with conventional radiography without any change.
- Shift rapidly from standing position to lying position, Fixed floating table can reduce patients moving time greatly and improve throughput.

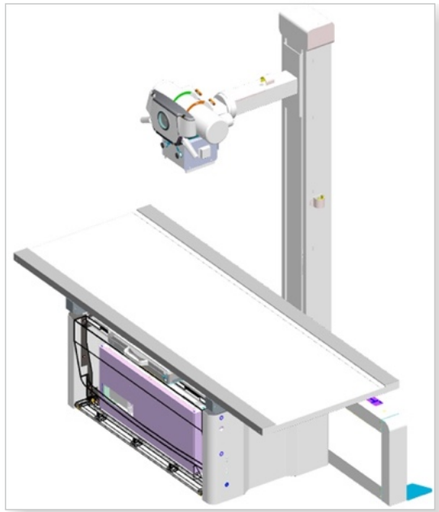

Portable Detector to Meet all Clinical Applications:

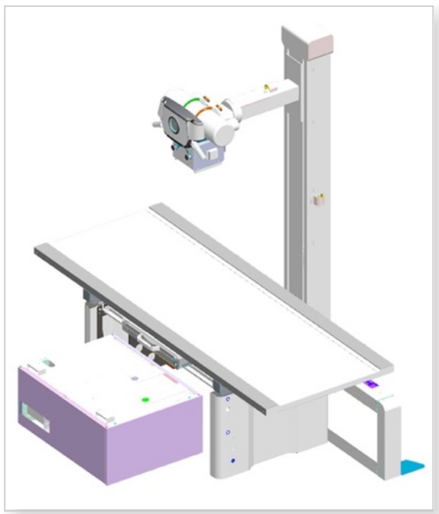

- Single detector system provides you with most flexibility for all applications on wall stand and table.
- On a stretcher bed or wheelchair, patients can be examined directly, to avoid secondary ingury caused by moving.

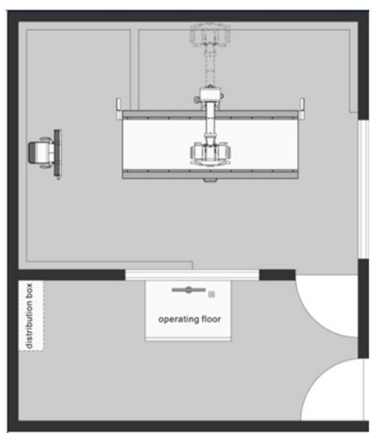

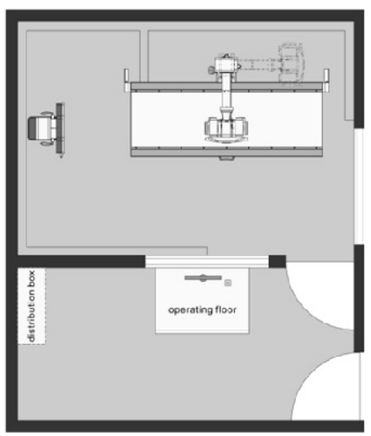

Integated DR System:

- Ensure DigiEye 280 has optimum exposure parameter settings and excellent compatibility.
- Built-in high voltage generator and control cabinet to meet the lowest installation requirements.

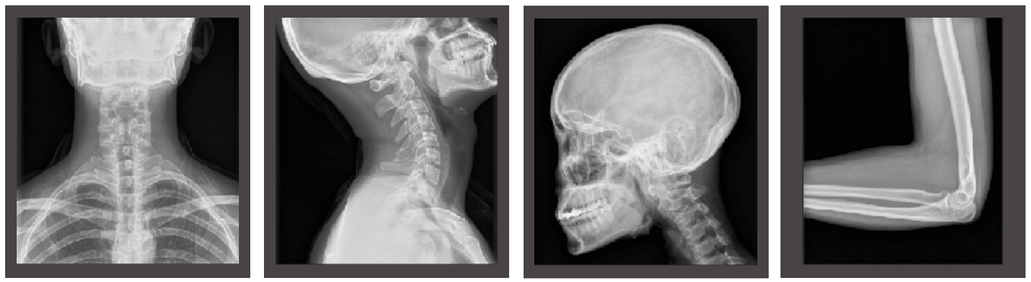

Recommend site layout

Minimum site layout

Advanced Technologies Bring Excellent Image Quality:

Higher frequency generator, and durable tube ensure the quality of X-ray. High DQE of flat-panel detector makes better image quality while reducing the X-ray dose for clinical diagnosis.

Multi-functional Operator Console:

- One button power on/off
- Patient information input and retrieval
- Exposure parameters adjustment
- Image acquisition, automatic optimization and post-processing
- Image print, transfer and storage

iStitch - Panoramic Imaging Technology:

Manual iStitch function to achieve full spine and legs radiography

AnyCare- Mindray Cloud in-Sight

AnyService
Highest to 50% probability, equipment problems solved immediately, without in-site services!

E-predict
Cloud server perceives your equipment running status and potential trouble even before it happens.

Always-on-cloud
Mindray technical team and clinical experts are always ready to provide you with remote supporting and training!

Soft-in-Time
Always keeps your equipment software the latest version!
